

Early Childhood Professionals Support Group

Consider spending 30 minutes of your time with us in the upcoming weeks as a measure of self-care during these difficult times. Questions? Contact Lisel at liselv@jcmh.org or 720-532-5397.

Tuesday Nights | 7-7:30 p.m | Nov. 24-Jan. 5

Jefferson Center wants to help early childhood educators and directors through a virtual support group. This will be a place where you can safely discuss challenges in the early childhood field, as well as the personal struggles of providing care during a pandemic.

We are offering sessions for directors and teachers independently and collaboratively, as we understand the challenges faced by each role are unique yet universal. Independent childcare providers are welcome to join any session.
